

LONDON DYNAMO CODE OF CONDUCT

1. Always obey the Highway Code.
2. Jumping red lights will very likely to lead to your dismissal from the club.
3. Always ride safely, considerately and courteously (even when provoked by other people's rude or dangerous behaviour).
4. It is a condition of membership that all members help out at an event at least once per year. Failure to do so without good reason may result in your dismissal from the club. Please diarise the event(s) that you volunteer for and respond to emails about it. Do NOT join London Dynamo if you are not committed to our culture and do not have the time to participate and help out.
5. Wear club kit on club rides and when representing the club at races and sportives.
6. Unless racing, always ride a well-maintained bike, wear a helmet and carry a spare inner tube, tyre levers and a pump or gas.
7. Learn and use all common hand signals and use verbal warnings when riding on the road or racing.
8. If you leave the club, you must not wear London Dynamo kit, nor sell it or give it away except to a member or an overseas charity. Members who move away from London can retain "country and overseas" membership at a nominal charge and therefore continue to wear club kit.
